Amendment

Sir:

This paper is being filed in response to the Final Office Action mailed January 26, 2004.

The amendments herein are based on discussions, and agreement reached, between the Examiner and Applicants' representative on February 2, 2004, for bringing the claims into condition for allowance.

In the Claims

Please amend claims 42-43. The claims are as follows.

1. (Previously Presented) An electronic device, comprising:

a first substrate having a first coefficient of thermal expansion;  
a second substrate having a second coefficient of thermal expansion; and  
a flexible connector attached between the first and second substrates by a plurality of contacts on a first and a second surface of the connector, wherein all of the contacts on the first
